Dear Valued Patient,

Thank you for choosing Sunnyside Dentistry to serve as your dental care provider. In an effort to keep you informed and sustain a high value of care, we would like to communicate the following information about insurance and our office financial policies.

As courteousness to all our patients, we will bill your insurance provider for you. However, you are responsible to the estimated co-pay not covered by insurance at the time of treatment as well as balances that may remain. We will do our very best to give you an estimated cost of treatment and maximize your insurance benefits accordingly. To avoid disillusionment, we strongly encourage you to contact your insurance company to make sure your assumptions about your benefits are accurate.

Your account will be supervised to the best of our resources without knowing all the details of your particular insurance provider. Please note that the interest of 18% annually will accrue on all accounts over 60 days. The following is a list of guidelines we will use in order to manage your account and insurance benefits.

Please note: Sunnyside Dentistry has opted out as a Medicare provider and services will NOT be billed to Medicare:

- Our office will bill your insurance company for all services rendered.
- A deposit is required on the day of services.
- For your convenience we accept Cash, Checks, Visa, and MasterCard.
- We reserve the right to access credit reports if the patient does not pay in full for services rendered, or when the patient requires a payment deferment and/or payment plan.

I understand and agree to the policies declared above and recognize that I am accountable for the payment of all services rendered.
